

# A 2-way strategy for ScanMed RFC North

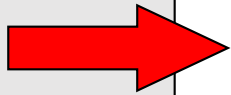

**Rail Freight Corridor ScanMed**

**Customer Workshop and digital RAG/TAG-meeting – November 12<sup>th</sup>, 2020**

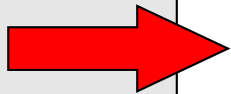

**Øresund Bridge has no redundancy today.**

**How could we reroute trains in contingency?**

**Could the Trelleborg – Rostock ferry be the right solution to assure resilience to rail freight?**

**Which could be the right model to finance this insurance?**
